Spa Packages

Sunrise \$130

Time: 2 hrs, Traditional facial, Swedish Massage

Enhance your skin's appearance with the deep cleansing of a Traditional Facial followed by the application of the intensely hydrating Mask. It is formulated with Dead Sea minerals, green tea, algae and vitamin B; it brings new vitality to the tired and stressed skin. Finish your Sunrise treatment with the exotic Swedish massage combined with aromatherapy oils to relieve the body's tension and sore muscles. This special treatment will leave you in the ultimate state of relaxation.

The skin is affected daily by different external aggressions (tobacco, pollution, wind, sun, etc) which stress out the skin and reduce its natural defenses, causing it to become fragile and irritated.

In Raindrop Spa we have the right treatment for you. While you enjoy the peace surrounding our installations, we will treat your skin and relax your senses with a magic touch.

Sense of the Sea \$150

Facial Therapy

Traditional Facial \$70

1 hour treatment

An age old therapy to increase the skins resilience and radiance naturally. This includes a deep cleanse, with hot and cool vapors, to clear pores. Followed by mask application, and facial massage. Leaving a nourished, youthful appearance. Each treatment is specific to your skins needs.

Flash Lifting Facial \$85

90 minute treatment

Anti age treatment.

Recommended for mature or devitalized skin

We begin with steam therapy to open pores, and then using the brosse machine, exfoliate the skin. Using a vacuum, we remove skin impurities. This is followed by high frequency electrotherapy, designed to refine and close pores and to increase metabolism.

To provoke a lifting effect we use ultrasonic stimulation, which improves skin's collagen and helps to absorb specialized biological products which minimize wrinkles and remove blemishes and under eye bags. To finish the treatment we apply a firming muscle mask.

The effects are immediate—your skin will radiate.

Multi-Vitamin Facial \$85

90 minute treatment

Recommended for dry, sensitive, or devitalized skin

We begin with steam therapy to eliminate skin imperfections, which is followed by high frequency electrotherapy, designed to refine and close pores, increase metabolism, and restore skins pH balance. Next we combine ultrasonic therapy with a regenerator product, allowing the nutrients to deeply penetrate the skin. We continue by applying a multi-vitamin vegetable mask with a cooling effect, which increases collagen production and hydrates the skin. This treatment helps eliminate premature wrinkles and has a rejuvenating effect.

Anti-Acne Facial \$85

90 minute treatment

We begin with steam therapy to open pores, and then using the brosse machine, exfoliate the skin. Using a vacuum, we remove skin impurities. This is followed by high frequency electrotherapy to treat pimples, reduce inflammation, and relieve pain. We then use electrotherapy Galvanic current to completely remove impurities caused by oil found below the skin's surface and in pores. Via the current, we inject a special biological product which dries out the accumulated oil below the skin's surface. We finish the treatment with a carbon activated vegetable mask that absorbs impurities, oils, and toxins. Afterward your skin will feel smoother and clearer - completely renewed.
